Fafard® Professional Potting Mix

This all-purpose mix is regionally formulated by professional horticulturists and provides superior moisture retention.

- Based on our professional formulation used by commercial growers
- Recommended for indoor and outdoor container plantings
- Contains RESiLIENCE®, our silicon-enriched additive – may enhance plant growth, flowering and improve resistance to wilting

Available Sizes:

1.0 CF (70/pallet), 2.0 CF (40/pallet)

Ingredients: Regionally formulated and contains Canadian Sphagnum peat moss, processed softwood bark, compost, perlite, dolomite lime and wetting agent.
